3.	the cervid(s) have not been in contact with animals of unknown brucellosis status. Cervids six months of age or older shall be tested for brucellosis within 30 days prior to entry into California. A copy of the official results from tests conducted in the state of origin shall be submitted with the Cervidae Importation Application. Information on the test methods used and the results for each cervid shall be included.				
4.	The Department of Fish and Game (DFG) shall reserve the right to require additional testing prior to importation when there is reason to believe other diseases, parasites, or other health risks are present. The DFG shall provide written notification if such testing is required.				
5.	An approved copy of this application must accompany cervid(s) being imported into California.				
I certify that all information on this application is true and correct. I further certify that I will abide by the conditions set forth a SIGNATURE					above. DATE
